

LAKE TAHOE SPOTLIGHT

by Elizabeth Mulvahill

Nestled into the majestic Sierra Nevada, Lake Tahoe is the largest alpine lake in North America and one of the purest bodies of water in the world. Filled with 39 trillion gallons of water and surrounded by 72 miles of pristine shoreline, it is an all-season haven for nature lovers and outdoor enthusiasts of all ages.

From towering granite mountains to crystal-clear waters and sandy shores, the Lake Tahoe region offers hundreds of miles of hiking and biking trails, dozens of beaches, world-renowned downhill and cross-country skiing, and water sports galore. Add to the mix luxurious resorts, glamorous casinos, loads of restaurants, bars, art galleries and retail, and there's something for everyone to enjoy.

It's no wonder, then, that people come from all over the country, and the world, to not just experience a phenomenal vacation but put down roots of their own.

Luckily, Tahoe is also home to an impressive community of professionals with a mission of making people's alpine dreams come true. Here, we'll introduce you to a gifted group of builders, architects and interior designers devoted to creating and renovating incredible mountain homes. Get to know them and celebrate all that makes Lake Tahoe the unique natural treasure it is.

SOPHISTICATED STYLE

The high-end designs created by the talented team at **TALIE JANE INTERIORS** reflect their belief that every space should tell a story in an artistic and beautiful way.

What are some of the elements that take your luxury mountain designs to the next level?

Rather than taking the path of least resistance, we think outside of the box and challenge the status quo, which often leads to trend-setting design.

We design with the end goal in mind and cater to our clients' tastes, preferences and lifestyles to create cohesive design punctuated by custom "wow factors" such as cabinetry, furnishings, rugs, artwork and accessories.

We also utilize unique and hard-to-find materials in unconventional, creative ways. For example, installing patterned leather walls and dimensional wood wall treatments and incorporating metal into various facets of design.

Talie Jane Interiors is the proud recipient of eight "Best of Houzz" awards, two Tahoe Quarterly "Remodel of the Year" awards and *Architectural Digest's* "Nevada's Leading Interior Designer" award.

THE LIST
M

TOP INTERIOR DESIGNERS

We are delighted to announce *ML's* list of the top interior designers at work in the Mountain West today. The following list was compiled from recommendations of clients, vendors, professional organizations and readers. In addition, designers featured in *Mountain Living* since May/June 2021 receive a special highlight that mentions their most recent projects.

Keeping our readers in mind, we've organized the list to be user-friendly. You'll find designers listed by state and town; some firms have more than one office location, and we have listed only their main corporate location. (Designers who have been featured during the past two years but are located in an area outside of *Mountain Living's* editorial territory are grouped together at the end of the list.)

This year's list is illustrated with a few of our favorite high-country spaces featured in the pages of *Mountain Living* in the past two years. See more of each home at mountainliving.com.
